

TESLA

WE'RE HIRING
TOP TALENT

TESLA MEET AND GREET

FARMINGDALE STATE COLLEGE
CAMPUS CENTER BALLROOM A

THURSDAY, OCTOBER 26, 2017
11:00 AM TO 12:00 PM

Tesla has a wide range of internship and employment opportunities. All interested students are welcome to attend this information session.

To RSVP, please contact Erin Gates at erin.gates@farmingdale.edu or x6292.

Tesla is accelerating the world's transition to sustainable energy. We design, manufacture, sell and service the world's best solar technology, energy storage systems, and electric vehicles, providing customers the opportunity to generate, store and consume energy entirely sustainably.

Tesla is committed to hiring and developing top talent from around the world for any given discipline. Based in California, Tesla's workforce spans across four continents. We work to build an inclusive environment in which all people, regardless of gender, race, religion, or background, can come to do their best work.

Our world-class teams operate with a non-conventional philosophy of inter-disciplinary collaboration. Each member of the team is expected to challenge and to be challenged, to create, and to innovate. We're tackling the world's most difficult and important problems—and we wouldn't succeed without our shared passion for making the world a better place.
