

Tuesday, April 23 - 11 a.m.-12:30 p.m.

Earth Day Fair / Fountain Fest

Ralph Bunche Plaza

(in case of rain, Earth Day Fair will move to Campus Center Lobby)

Learn how you can help preserve the environment by visiting the many members of the campus and off-campus organizations who will be on hand with practical tips. Stop by these display tables:

- Two Student Research Projects:
 - Scrap It!
 - Biocept Conversion of Sewage to Biofuel
- Changing Everyday Habits: Starting with Food.
- FSC's Sustainability Initiatives
- Using Geospatial Technologies to Learn More About our Environment
- Island Harvest Food Bank's Giving Garden at Farmingdale State College (learn about volunteer training opportunities)
- Renewable Energy and Sustainability Center
- Join the Department of Urban Horticulture and Design for advice on vertical gardening, conserving water, how to compost (in cooperation with Aramark) and sustainable gardening
- Aramark's new Weigh the Waste program
- National Grid
- US Green Building Council
- Drive Electric LI
- H2M and LI Water Conference
- Suffolk County Water Authority
- LI Commission for Aquifer
- Clean Air New York
- Empower Solar
- Transit Solutions and 511 NY Rideshare
- Cornell Cooperative Extension Community Supported Agriculture
- Suffolk County Water Authority
