On February 14, 2018, FSC Alumnus Scott Beigel was shot and killed while protecting his students at Marjory Stoneman Douglas High School in Parkland, FL.

His mother Linda has chosen to honor her son's courage by advocating for gun safety. Working closely with U.S. Rep. Tom Suozzi (D-Glen Cove), she assisted in the passage of the Red Flag law which prevents individuals who show signs of being a threat to themselves or others from purchasing or possessing any kind of firearm.

She will tell her story and hopes you will share your stories with her.
