

Girl Power in STEM: STEP it UP!

March 5, Saturday 9:00 AM through 2:00 PM

Engineering Building
Lecture Hall 145
Stony Brook University

The symposium celebrates women accomplishments in Science, Technology, Engineering and Math (STEM). Speakers from academia, government and private sectors will discuss the impact of women in STEM careers. A Speed Networking session will allow for one-on-one professional exchange.

Organizers

Kristine Horvat
Farmingdale State College
