

Artists & Lecturers Program looking for guest speakers

To request a visiting Artist or Lecturer for the 2016' - 17' semesters, please fill out the following form. We ask that you contact your speaker directly in order to provide the Artist and Lecturer (ALP) Committee with accurate data. Please note that you are asking about willingness, availability, and expected fees, not actually issuing an invitation which can only be done by the ALP Committee (feel free to send your speaker this form.)

Return this application to the ALP Committee by Tues. April 7, 2016. Please note, not every request can be fulfilled. You will be notified as to whether your submission was approved. Email or send this form to Assistant Professor Jennie Thwing at:
