COULD SOCIAL MEDIA KEEP YOU OUT OF
GRADUATE SCHOOL?

Dr. Sy Islam
Assistant Professor

Do you use Facebook, LinkedIn, Twitter, or Snapchat?

Social media has affected every aspect of our lives. As we engage and communicate more often across social media platforms we leave a digital trail behind.

Who accesses our social media profiles and how those profiles are interpreted can affect our chances at getting hired. In this colloquium you'll learn about how applicants feel about the use of social media in the hiring process .
