

Good Morning!!

Save the Date!!! Fall 2016 Wizard conference will be taking place starting around noon on November 15 and continuing until 1:00 PMP or so on the 17, 2016!!

We are seeking presentation abstracts for the SUNY Fall 2016 Wizard conference beginning Tuesday **November 15 - 17** at the **DoubleTree Hotel** in East Syracuse, NY.

Please encourage those you know (including yourself ;-) to share to present!

Abstract Submission:

If you would like to submit an abstract for consideration, please follow this link to our online abstract submission form

at: <https://itecsuny.wufoo.com/forms/wizard-2016-abstract-submission-form/>

Presentation abstracts will be accepted through October 20th, 2016 11:00PM.

We encourage all Wizards (SUNY IT related professionals) from all institutions to submit abstracts for sessions. Wizard conferences are opportunities for presenters to share with the IT community their best practices and success stories about new trends and emerging technologies that positively impact IT and enhance our ability to deliver the highest quality services to our students, faculty, and staff.

Wizard attendees come from throughout the SUNY system and include IT professionals such as campus CIOs, DBAs, System Administrators, Network Administrators, Security Professionals, and technical analysts. Wizard conferences include facilitated sessions, roundtables, panel and informal discussions where SUNY colleagues can get together to collaborate and share what is happening in industry and on their campuses.

Areas of interest for sessions may include but are not limited to:

- IT Service Management
- Project Management
- Administrative Computing
- Academic Computing
- Systems and Networking
- SDN – Software Defined Networking
- Data Center

- Virtualization
- Security
- Mobile Device Management
- Automation
- Implementations
- Lessons Learned

All the Very Best!
The Wizard Team
