

Business Management & Global Business Students:

Let's Talk Business

Now is the time to inquire about the spring 2017 credit bearing internship program!

The Business Management Internship Program strives to engage our business students to utilize their classroom experiences in an internship setting.

We provide connections to qualified mentors and organizations, as well as resources in preparation for the business world.

Learn how the Business Management Internship Program can enhance your studies and start planning your future internships!

Visit farmingdale.edu/business-internships for more information.
