

# Mock Crime Scene Investigation

Presented by: The School of Arts & Sciences Criminal Justice Program  
Funded by Title III grant awarded to FSC by the US Dept. of Education.

*You are invited to Join  
Dr. David Byrne &  
CRJ 201  
Criminalistics students.*

*Tuesday November 8<sup>th</sup> 2016  
Sinclair Hall - Pit*

*5:55p.m. - 8:00p.m.*

Come, be a part and view this interactive mock crime scene investigation.

As CRJ 201 -004 Criminalistics students put into practice what they have learned during this semester.

See how they find, document, collect evidence and interview eye witnesses. Most importantly find out how important it is to keep the crime scene from becoming contaminated by curious bystanders.
