

# Trauma Impact:

## *What a survivor experiences shortly thereafter...*

Freeze... Flight...Fight. What happens to the mind? Let's talk...

Linda Lattanzio from The Retreat, visits the Farmingdale State College Community as a Guest Speaker to share information about the survivor experience, the impact of trauma on victims of domestic violence.

There are hidden consequences of domestic violence. This is a discussion and to peer into the neurobiology of victims of Domestic Violence. Help someone you know.

**Domestic Violence is not always visible, or physical.**
