CTLT, 2<sup>nd</sup> Floor, Greenley Library

In October 2015, Chancellor Zimpher announced that SUNY will expand its micro-credentialing offerings as the system aims to boost completion among students and prepare them for a higher degree of workforce success. At this Brown Bag, we will explore SUNY Stony Brook's "University Badges" – digital icons that demonstrate achievement of a particular skill or set of skills, and which are designed to help the student make academic progress toward achieving another credential such as graduate certificate or master's degree.
