What is it?

A poster session open to all FSC students.

Present your work on a poster simultaneously alongside other participants.

What do you need to do?

1. Submit a paragraph describing your work using the above link.
Ask a professor to approve your submission.
2. Once accepted, create a poster using PowerPoint by 2/12.
3. Show up on 2/16 & present! Your poster will be printed for FREE!

Why should you do this?

It's excellent presentation experience.

It looks great on your resume for grad school & job applications.

The top 3 poster presentations will receive a \$50 stipend.

It's an ideal opportunity to showcase a project - invite friends & family!

We'll help you with poster design!

There will be food!
