

# LONG ISLAND MOBILITY WEEK

## September 16-22, 2018

A series of activities and events by Long Island municipalities and organizations informing about sustainable transportation.

- ▶ Take stock of **current mobility challenges** and progress towards more sustainable options.
- ▶ Highlight, research and **test alternative transportation strategies** and consider their applicability to Long Island.
- ▶ Join in and **pledge to go car free or car-lite** on September 21 for Car Free Day LI!

Sunday 16	Monday 17	Tuesday 18	Wednesday 19	Thursday 20	Friday 21	Saturday 22
