

Visual Communications Department

You are invited to attend a Figure Drawing Open Studio. Improve your figure drawing skills in a professional setting surrounded by your peers. Each session will be presided by a Visual Communications faculty member and a live model, occasionally nude, male or female.

Stop by the University Police via the north entrance (Smith Street) for a parking permit and proceed to Hale Hall. View campus map www.farmingdale.edu/directions.

Please note:

All ages are welcome, but participants under the age of 18 must be signed in by a parent or guardian prior to the beginning of the first studio session that the student attends and must be dropped off and picked up by a parent or guardian for each studio meeting.
